

## Symposium on *Greece Crisis and the Lessons to be learnt*

27<sup>th</sup> July 2015

Greece Crisis has made considerable impact on the economic and social sector in Greece besides affecting the European economy as a whole. In a global business environment such crisis impact other countries as well. Towards understanding such an impact, Bharatiya Vidya Bhavan's M P Birla Institute of Management (MPBIM), Bengaluru and Southern Economist organised a day long symposium on **Greece Crisis and the Lessons to be learnt** for the faculty members of Bangalore based management institutes jointly with Southern Economist Publications, which publishes a fortnightly journal on economics.

The inaugural ceremony was presided over by Dr. K V Mahabala Giri Bhat, Chief General Manager of Karnataka State Agricultural Marketing Board, Bangalore. Sri H N Suresh, Director Bharatiya Vidya Bhavan's Bangalore Kendra was the chief guest. During the inaugural ceremony, MPBIM's quarterly newsletter was released. A book on '**Disinvestment in Public Sector**' by Dr. K P Suresh was also released at the event. Over 10 scholarly papers were presented at the symposium. The symposium was attended 37 faculty members from over 20 management institutes in Bangalore. The event was graced by Smt. Susheela Subrahmanya Chief Editor of Southern Economist.
