

Workshop on "Excelling in Microsoft Excel" at  
Dr.D.Veerendra Heggade Institute of Management Studies  
and Research

By  
Dr. Deepak.R, Faculty, M.P.B.I.M

## Program details

The workshop mainly aimed at providing a platform for MBA students to learn excel as an enthusiast and appreciate the advantages of the tool in their studies today and in the future.

The workshop was specifically designed to cater to the needs of the institute.

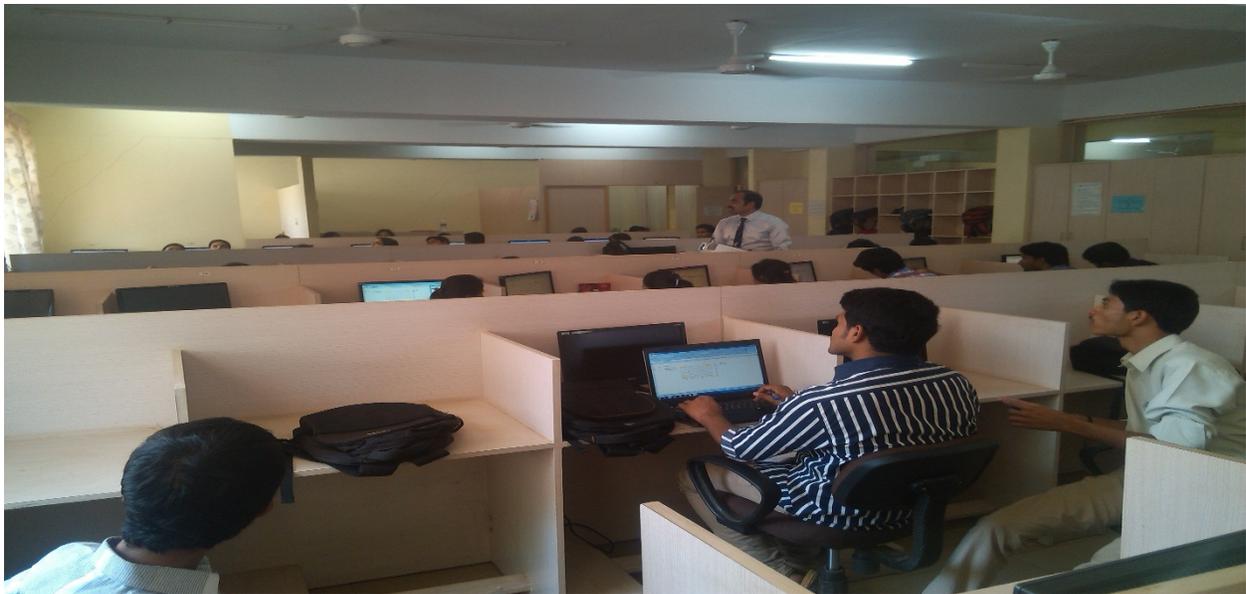

The workshop was categorized into three levels

- a. Beginner stage.
- b. Intermediate stage, and
- c. Advanced stage (Pivot table, what-if analysis, data analysis, macros and interactive charts).

At each stage, the students were provided instruction materials and templates to learn, relearn and practice.

Dr.Deepak.R being introduced to faculty and students by the Dr.H.N.Shivaprasad(Director, Dr.DVeerendraHeggade Institute of Management Studies & Research)

The sessions conducted by Dr. Deepak.R for MBA students in the computer lab of the institute
