

MPBIM students' Espionage !!! at USHUS 12

Ganesh and Astha did us proud by winning second place in the Finance event **Casino Royale- Finance Event** in the **Ushus 12** fest held on 22nd and 23rd November at Christ University Institute of Management (CUIM) located on Hosur Road, Bangalore. This was a national event with over 35 colleges including IIMs participating in the events.

Ushus is the annual management fest of CUIM for students to hone their skills in the fields of Finance, HR, Marketing, Operations & Corporate Social responsibility. Simulation and Quiz add the fuel to the fire, with Best Manager all aiming to transcend the border between the known and the right. This was not an easy event. It was like a decathlon involving Quiz, Financial Analysis, Mock stock, Case Study, Presentation, Impromptu talk on a allotted topic (with in 3 minutes), Treasure hunt, etc. The festival spanned the disciplines such as Operations, HR and Marketing besides Finance. The competition was also for business quiz and Best Manager categories.

It was a kind of first time that all the 5 teams (11 people) from MPBIM went to finals. But it was Ganesh and Astha who made it to the podium.

Best Wishes to all the students who participated from MPBIM

**CONGRATULATIONS !!!!!!!
To the winners**
